Subject: Re: Rota Coffee for President Biden's inauguration

Onishi-san –

Your package of coffee for the inauguration arrived here in Washington. Thank you.

Because of the very strict ethical rules regarding gifts that Congressman Sablan must follow, I have to ask you two questions:

1. Do you employ or retain a lobbyist?
2. Is the value of the coffee you sent more than \$50?

If the answer to both questions is no, then the ethics rules will allow acceptance of the coffee.

Please let me know.

Thank you.
